Ms Sylvie Claren, born 6 November 1961, took up employment with the Stuttgart Post Office as a postal worker on 9 May 1990 and worked in various areas of the postal service.

On 1 June 1991 she was taken on as a member of staff and worked in our counter service area.

After taking parental leave and then leave without pay in the period from 16 March 1992 to 21 June 1994, Ms Claren was transferred to our Regional Accounting Centre under the direction of the Stuttgart Post Office on 1 January 1996.

Her duties in the master data maintenance department included uploading and maintaining our contract [sic] and address data.

From 27 February 1997 to the end of her employment relationship with us, Ms Claren was granted leave without pay to look after her children.

Ms Claren always completed all of the tasks assigned to her to our complete satisfaction. She worked thoroughly, conscientiously and carefully.

Her behaviour towards her superiors and colleagues was impeccable at all times.

The employment relationship ended at Ms Claren's request with effect from 31 March 2005.

We would like to thank Ms Claren for the work she performed for us, and wish her all the best for the future.
