Reference

As a leading HR service provider, we make employees available to our clients under employee assignment arrangements, to cover staffing shortages and seasonal peak periods.

As part of such an arrangement, Ms Sylvie [sic] Claren, born 6 November 1961, worked full-time for our company as a commercial clerk from 1 October 2007 to 14 December 2007.

During this period of employment with us, Ms Sylvie Claren was deployed with one of our clients, where she was assigned the following tasks:

- commercial processing
- auditing

Due to her high motivation, quick intellect and great sensitivity, Ms Claren is very adept at quickly and easily adapting to constantly changing requirements and work conditions.

Ms Claren completes all the tasks assigned to her conscientiously and to our complete and utter satisfaction at all times. This is also the clear message we have received from performance appraisals of her by our clients.

Her behaviour towards her superiors and colleagues was impeccable at all times.
